

What colors are these feelings?

Often, people associate different feelings with colors.

Let's try this out:

FEELING	My color for this feeling	My explanation: examples: For me LOVE is pink, because it makes me think of ... For me HUNGER is red, because it reminds me of ...
confusion (to be confused)		
happiness (to be happy)		
sadness (to be sad)		
anger (to be angry)		
fear (to be afraid, to be scared)		
calmness (to be calm)		

add 3 more feelings and explain what colors they are for you.
