

What can you see in
the Zeughaus?

Zeughaus: The Armory

The Zeughaus in Graz was built between 1642 and 1647. It is the biggest historic armory of the world. There you can see many weapons and armors. Weapons for 16.000 men are stored in the Zeughaus. The Zeughaus is one of the top 10 museums in Graz. It is very popular, and all the tourists go there to see the collection of old weapons and suits of armor. They even have suits of armor for horses!

You can take tours in English, German and Italian.
