## IF I WAS A SUPERHERO

I IMAGINE myself as a superhero with a superpower (e.g. ability to talk to animals) or just as an everyday person with some special characteristics / virtues (e.g. patience, endurance, honesty).

I present my hero

with a short descriptive text  
or in the form of a fact-sheet (Steckbrief)  
telling the hero's name, age, superpowers,  
special features, goals, good deeds).

For ideas you can also see the interactive  
application [https://learnenglishkids.britishcouncil.org/  
games/style-hero](https://learnenglishkids.britishcouncil.org/games/style-hero)

I create an artefact  
of my superhero

(according to the terms of participation)  
or I present him / her in action / mission  
(a comic book episode).
