

Ice-breaker activity: Get to know your international teammates

What do you all have in common?

Start with these questions, then add your own.

How many students in your group...	Points:
How many of you have the same age? Ask: How old are you?	example: if three of you have the same age, you get 3 points here <input type="text"/>
How many of you have one brother? Ask: Do you have a brother?	
How many of you have one sister?	
... have more than 3 siblings (brothers and sisters)?	
... can play a musical instrument?	
... have a dog?	
... have a cat?	
... have another pet that is not a dog or a cat?	
... have read all the Harry Potter books?	
... have seen a Happy Potter movie?	
... live in a flat?	
... live in a house with a garden?	
... like pizza?	
... like spinach?	
... like garlic?	
... wear size 37 shoes?	
... don't like mushrooms?	
...speak more than 2 languages?	
...have travelled to another country in the summer holidays?	
...like reading books?	
...have played the same computer game? Which one is it?	
...separate your garbage at home	
...have slept in a tent?	
...like playing soccer (football)	
...like playing volleyball	
... now ask your own questions	
Add up all the points? Let's see which group wins this little contest.
