

A lot of things have changed because of Covid-19.

We **must** try to stop the virus because it is very dangerous. So people **should** stay at home as much as possible. You **are not allowed** to leave your house unless you have to work or **need to** go shopping. If you go shopping, you **have to** wear a mask. It **doesn't have to** be a clinical mask, you **can** make one yourself. You **don't have to** wear gloves, but it is a good idea.

You **are allowed to** go for a walk but you **are not allowed** to go to a playground.

You **must** keep your distance from people who do not live in your house and you **mustn't** invite people to visit you. I know that this is hard. I **had to** spend Easter without my parents, too and if someone of my staff gets ill, I **will have to** stay in quarantine in the ministry.

You **can** come to school, but you **shouldn't**. You **have to** take part in the online lessons.

I hope we will soon be able to go back to our normal lives and you **will be allowed to** meet your friends.
