rep model / PC | We ~~there~~ are allowed to go to <sup>cafeteria</sup> mensa in the 20 minute break.

③

~~we are not allowed to wear~~ + Intro sentence

In school we are allowed to wear anything but joggers because when you wear joggers you could feel like at home and school is not home. I think personally <sup>that</sup> that when you need to ~~wear~~ wear a school uniform you can't <sup>be bullied / be mocked</sup> get made fun of ~~you~~ because of your clothing but school uniforms can cost ~~also~~ much

money and not everyone has <sup>that</sup> much money. ~~It's not~~ I think:

I would not wear a school uniform because I ~~do~~ think that I would not be comfortable in them and could not express my inner self. But it would also be good because ~~more~~ many people get made fun of and get bullied because they have not the best clothes. Everyone should be allowed to wear what they want and be comfortable in.

In my opinion it would be bad if we had to wear school uniforms.

LRS

First of all if we had to wear school uniforms we would not be able to show how we are.

Secondly, If we had to wear school uniforms we would look like little soldiers. And maybe the "superheroes" would be called of us.

of

A rather good argument for not wearing school uniforms is that if your school uniform gets dusty you would have to buy new or because you have to bring it to a "laundery" to get it clean.

LRS

??

So your garbage would look ugly or not collect full.

For all these reasons I think school uniforms are a bad idea.

## Opinion

In my opinion we should definitely have more <sup>whole</sup> ~~whole~~-day schools in Austria.

First it's better because ~~you~~ because you ~~can't~~ don't have to work at home.

On the one hand ~~people~~ <sup>parents</sup> say that they want to help their children but on the other hand, do you think that the parents can help them better than teachers?

~~Also~~ last but not least people say that the ~~cafeteria~~ <sup>cafeteria</sup> don't make good food but you can cook on the weekend ~~so~~ so that the children could bring the food from home.

<sup>all in all</sup> So if I look on ~~it~~ this text I'm definitely for whole-day schools

Many schools have school uniforms. I think that they should let the students wear what they want. Because the students can express themselves with their own style. Some people say that the students feel more comfortable if they all wear the same, and they don't have to worry about clothes. But in my opinion it makes many students uncomfortable, because a lot of teenagers are very insecure about themselves, and they might not like how they look in their school uniforms. That's why I think that it is important for students to have their own style, and that they can wear whatever they want.

## B) School rules

We are not allowed to come to late to a lesson because if a student comes too late the teacher has to explain what's happened.

Eating gum is only allowed during test because some children glue them under a desk.

At school we must not hurt someone. This rule is in our whole country.

We should be quiet during class. Then we can concentrate better.

You must go to school but if you are ill you should stay at home.

We should not go to the WC during class.

In my opinion whole-day schools are better because I believe you don't get homework if you do everything in school.

Another advantage of whole day schools is that the teachers are have more time to help you if you have a problem.

Another argument is that the parents of the students are longer work. My point is that the most whole day schools have a cafeteria, so the parents don't have to work every day. Some people claim that good students are longer at school. They argue that these students could also study at home, so they have shorter freetimes.

On the one hand students get more help at whole day schools but on the other hand if they don't need help the children have shorter freetimes.

So, I think everybody should be allowed to choose one school form, because in my opinion everyone need the choice.

I want to ask about school rules that I don't understand. 27

Second why we are allowed to chew gum during a test but not in class. Third and last question why we are must wear jeans in school.

✓ We must wear jeans, because we are not allowed to wear sweat pants.

✓ We are not allowed to chew gum in class because all gums are under the table or on the floor.

✓ We mustn't bring warm food out lunch break because it is a lunch and not a dessert.

Whole-day schools are very good for students and parents. The students learn more for their life and the parents can work more for their money. But <sup>there are</sup> many things to be in the. First the parents have to make lunch for the kids and have to work the evening and when a child goes home because the wife is rich and more is at home the child have to work. Second when you are going to school you have less free time. You come home at 17 o'clock and you have to write the exercises and to eat dinner and then you have to write your first and go to bed. In my opinion school uniforms are bad.

On the one hand school uniforms look <sup>sortings</sup> bad, but on the other hand you don't have to think about what to wear.

1. In some schools students are not allowed to go to the bathroom during classes.
2. ✓ Students should not use their phones during class.
3. ✓ Students must not fight in school.
4. ✓ Students <sup>→ name</sup> mustn't chew gum at school.
5. ✓ In some schools students can not bring their medication.

C.

In my opinion whole-day schools are a bad idea because students should get a good amount of sleep to develop their brains, 9pm or 8pm to 6am is not enough sleep for a 14-13 year old. I also would like to point out that if they got more sleep they would get better grades because they could concentrate more. Moreover kids would be in a better mood, leading to less fighting and if the students' moods improved the teachers would be a lot happier too. For all these reasons and more, I think that whole day schools are a bad idea.

① How is an early start related to the question of all-day schools? That's not quite logical.

Otherwise this is a good text.

Dear Mrs. Pö!

I am sad to say, I cannot come to school today, because I am ill, but I will be working from home. Well in my opinion, whole day schools are such a waste of <sup>t</sup> Time

For the first reason, why do we need 10 hours of school, when  
others have <sup>Hours</sup> 6, and their students are great.

First

And of all, we cannot concentrate in the afternoon, because  
all we are thinking is, "I want to go home" or "When does  
this lesson finally end?"

In other schools you have <sup>h</sup> homework, but you have half the  
day to finish <sup>it</sup> them. <sup>73</sup>

For the last reason, you barely have spare time or time  
to spend with your family or your friends.

By the time you are out of the whole day school, it is getting  
dark and late.

For all these reasons ....

C) In my opinion School uniforms ~~are~~ have advantages and disadvantages. First of all ~~is~~ you don't need to think about

+ argument what you are going to wear. because you have a school uniform

- argument On the other hand Moreover school uniforms are not always the clothes you want

L not logical - ask we here

to wear sometimes you want to wear ~~these~~ clothes in your style. Another argument for it is that you don't need to ~~spend~~ spend much money on clothes for school. Another argument against it is that some people don't like school uniforms and feel better wearing normal clothes. So ~~of all~~ <sup>for</sup> ~~this~~ <sup>these</sup> reasons, I think that wearing school uniforms should just be the person's ~~decide~~ <sup>decide</sup> if they want to wear it or not, because not all people like school uniforms or feel comfortable in it.

... But then it's not a uniform!

Your feel is ok - but you ~~don't~~ need to organize it more logically.  
Tip: follow the "hamburger" model!

### 3. Opinion

## School uniforms

I think school uniforms have lots of pros and cons. On the one hand school uniforms ~~are~~ <sup>could be a</sup> good idea because you don't have to think about what you wear and you don't have to ~~overthink~~ <sup>think about your clothes and</sup> what people will say about your clothes. But on the other hand when everybody wears ~~the~~ school uniforms everything looks ~~like~~ <sup>the</sup> same and it would be boring and nobody ~~can~~ <sup>could</sup> create a creative, funny or a cool style that a lot of people would ~~like~~ <sup>maybe like</sup>.

*Based on* ~~all~~ these arguments I think that school uniforms could be very good and could ~~stop~~ <sup>stop</sup> the negative thinking of other people like when you wear cheap clothes or something like that and it also could be bad when everything ~~just~~ <sup>just</sup> looks ~~like~~ <sup>the</sup> same and that ~~is~~ <sup>would</sup> be boring.

Another ~~argument~~ <sup>argument</sup> against school uniforms is that a lot of people ~~don't~~ <sup>don't</sup> like who had to wear school uniforms in their school. ~~They~~ <sup>They</sup> ~~have~~ <sup>have</sup> said that school uniforms are extremely skinny and very uncomfortable.

*you have not really decided whether you are for or against uniforms. Remember to use the hamburger model!*

Dear Mrs. Pö,

~~dear~~

I hope you had great holidays?

I am writing to you because I want to tell you that I am very ill, and that I am working

at home. I also ~~had~~ have two questions,

first, I don't really understand what I have to do in the section, 'Writing emails', could you please explain it again for me?

The second question is that I <sup>have</sup> already uploaded my text about the school rules, and it would be very friendly of you when you correct it so I can see what I got wrong. Thanks a lot!

All the best, Noah Kaloo

could you please correct it...

2) Five school rules:

You are not allowed to wear your shoes in school, you ~~must~~ must put them in your locker.

✓

You ~~are~~ must not go to the second floor in ~~the~~ school, why? odd details

✓

You are not allowed to drink energy drinks or coffee in school. details

use a different verb!  
✓

You are not allowed to ~~use~~ use ~~your~~ your cellphone ~~at~~ during the lesson, and also ~~at~~ in the breaks.

✓

You are not allowed to wear sweatpants in school.

Tip: read the instructions more carefully next time!

Celine Truffe My opinion about school uniforms

In my opinion school uniforms are much better than regular ~~clothes~~ because it looks very cool and we ~~doesn't~~ <sup>need</sup> have the rule about ~~different parts~~ sweat parts and about other dress codes. I think if we have <sup>d</sup> school uniforms there would be people that would think that the school is very strict and <sup>is very important there</sup> we have discipline and some parents like that and <sup>we</sup> would have more kids in our school.

Ok - but you have not used any of the structural phrases (hamburger!)
