Dear Leonie]

Thanks for your nice letter. Now I know more about you. Today I am going to tell you about my autumn holidays.

~~I got up at eight o'clock, because I went to Germany.~~

First I went to Germany with my family ^{and} visited my aunt. My aunt gave me a round mirror and I love it.

Then we went to a restaurant, there were a lot of pizzas.

After the restaurant we went shopping. My mother and I bought a lot of clothes. After that we watched a halloween movie.

My brother cried because it was a scary movie. I gave him my phone to play the games. ^{On} Next day I got up at seven o'clock

and then I brushed my teeth, we don't had breakfast but I ate a toast. We ~~must~~ ^{had to go} went back to Graz. I was a little bit sad, but

^{soon} I forgot it. One day I meet my friends, we went shopping but I don't bought anything. It was not so cool, but when I was at home I really was happy because my mother cooked my favourite ^{food} eat.

Then we played a game, it was very cool, I liked it.

At ten o'clock me and my brother ^{had to go to bed.} must sleep.

~~That was!~~

Yours, Mislina

Dear.....,

Thanks for your nice letter. Now I know a lot more about you. Today I am going to tell you about my autumn holidays.

On the first day me and my brothers decided to play swords in our ^{big} garden, it was really fun playing with them.

The second day was almost like the first one just that I went in ^{to} our garden alone and swung ^{green} on our swing.

On Friday I decided to watch a movie called Harry Potter with my mom and play some games with her.

The first Saturday my family and me decided to drive to my grandparents' house where also my cousins lived, we stayed until Sunday then drove home again very late.

For Monday we decided to "wichtel", it's a game we play every year for Christmas eve, I can tell you how to play a different time.

On Tuesday I slept ^{for a time} very long since I went to bed at 9am!, luckily I woke up just in time for dinner.

The last couple of days I stayed home.

Please write back soon.

Melisa
