

M 10: Stretch your Memory: Wishful Thinking (If I could...)

Wishful Thinking	Wishful Thinking	Wishful Thinking	Wishful Thinking	Wishful Thinking
<p>Hi, I am Tom! I live in Austria and I have never been to any other country. If I won 1000 €, I would love to travel. I would go to South America, because I love soccer. If I won that much money, I would buy tickets for a professional soccer game. If I could really do that, I would be so happy.</p>	<p>If I won 1000€ I would probably give them to my daughter. She is a student and does not have a lot of money, but she loves to travel. I am sure she would buy a flight ticket and go on an interesting trip. If I won a million Euros, I would be really shocked. I am not sure what I would do with so much money. If I really won a million, I think I would give some of it so the poor.</p>	<p>If I had a superpower, I would like to speak all the languages of the world. It would be so great to talk to people in their languages. I would travel a lot and meet lots of interesting people and learn about their cultures and their lives. If I could speak so many languages, I would also want to read books and watch movies in these language. That would be awesome.</p>	<p>If I could travel in time, I would go to the 1920s in New York and listen to some cool Jazz music. I would also want to meet my grandmother in 1920. At that time, she was 21 years old and she was a very interesting and clever woman. I am not sure I would want to go further back in history, because the old times were not very good for women. Women were not taken seriously then, and they did not have many rights. Therefore, I am very happy to live in the 21st century in Europe.</p>	<p>If I was an animal, I would like to be a cat. I would live with a nice family who would feed me well. If I was a cat, my favorite food would be mice. I would catch a mouse every day. If I couldn't catch a mouse, I would eat cat food, that's also ok. If I was a cat, I would not want to live in an apartment. I would want to go outside and play in the garden with the other cats of the neighborhood.</p>
