

## M 10: Stretch your Memory: Experiences

<p><b>Experiences:</b></p> <p><b>My bucket list:</b> A bucket list is a list of things you want to do before you die. Let me tell you about my bucket list: I've often been to Great Britain, but I've never been to Ireland, so that's No 1 on my bucket list. I have ridden an elephant, but I have never ridden a camel, so that's number two on my list. I have touched a shark and been in the sea with it, but I have never swum with dolphins. That must be fantastic. It's No.3 on my list.</p>	<p><b>Experiences:</b></p> <p>My family is very adventurous. My brother has taken part in a lot of crazy events. He has participated in the bull run in Pamplona and he has been skydiving. When he was young, he wanted to be a stuntman.</p>   <p>I have also done some adventurous things. I have been skydiving, too and I have climbed deep inside the Lurgrotte. That's a cave near Graz.</p>	<p><b>Experiences:</b></p> <p>My aunt <b>has travelled</b> a lot. Her husband, my uncle, <u>was</u> a marine <u>in World War II</u> and so <u>after the war</u> they <u>visited</u> marines all over the world. My aunt <b>has been</b> to America, China and India but, and she <b>has even been</b> to the South Pole! They <u>went</u> to the South Pole by boat; it <u>took</u> them two weeks. The problem <u>was</u> that they both <u>got</u> really sea-sick. My aunt says the trip <u>was</u> terrible but when they <u>got</u> there, they <u>saw</u> penguins and <u>could</u> get close to them. That <u>was</u> fantastic.</p>	<p><b>Experiences:</b></p> <p>My name is Lisa and as long as I can remember, I have never had an A on an English test. I have had Cs and Bs, but never an A. Mrs. Pö has told me many times that I should keep practicing, and that's what I did.</p> <p>Last week it happened! Mrs. Pö handed me back my test and it was an A+.</p> <p>I was really happy and I am very proud of myself. Now I know that practicing really pays off.</p>	<p><b>Experiences:</b></p> <p>Tom Brady is an American football player who has won the Super Bowl six times. This is a record. His team is the best team in the history of American football. They have been to more finals than any other team and they have won more games than any other team. Tom Brady has won lots of awards and many people say that he is the greatest quarterback of all time.</p>
