The exciting life battleship game

PLAY IN PAIRS. DO NOT SHOW THIS PAGE TO YOUR PARTNER!

Step 1: Mark all the things that you have done. These are your “ships”. Tell your partner how many ships you have. Everything you have done is one ship. Ships can be next to each other.

Write down how many ships your partner has:

Number of ships	Round 1	Round 2
ME		
My partner		

How many ships do you have?

Step2: Ask your partner questions. e.g. “**Have you ever** eaten an insect?”

If the answer is “yes”, you can ask another question. If the answer is “no” your partner can ask the next question.

Try to find all your partner’s ships.

Here are the words to use during the game: HIT (getroffen), MISSED (daneben)

Mark your ships here (circle all the things that you have done)
