4. Reading and writing

●● 4.1 Read the text and mark the following:

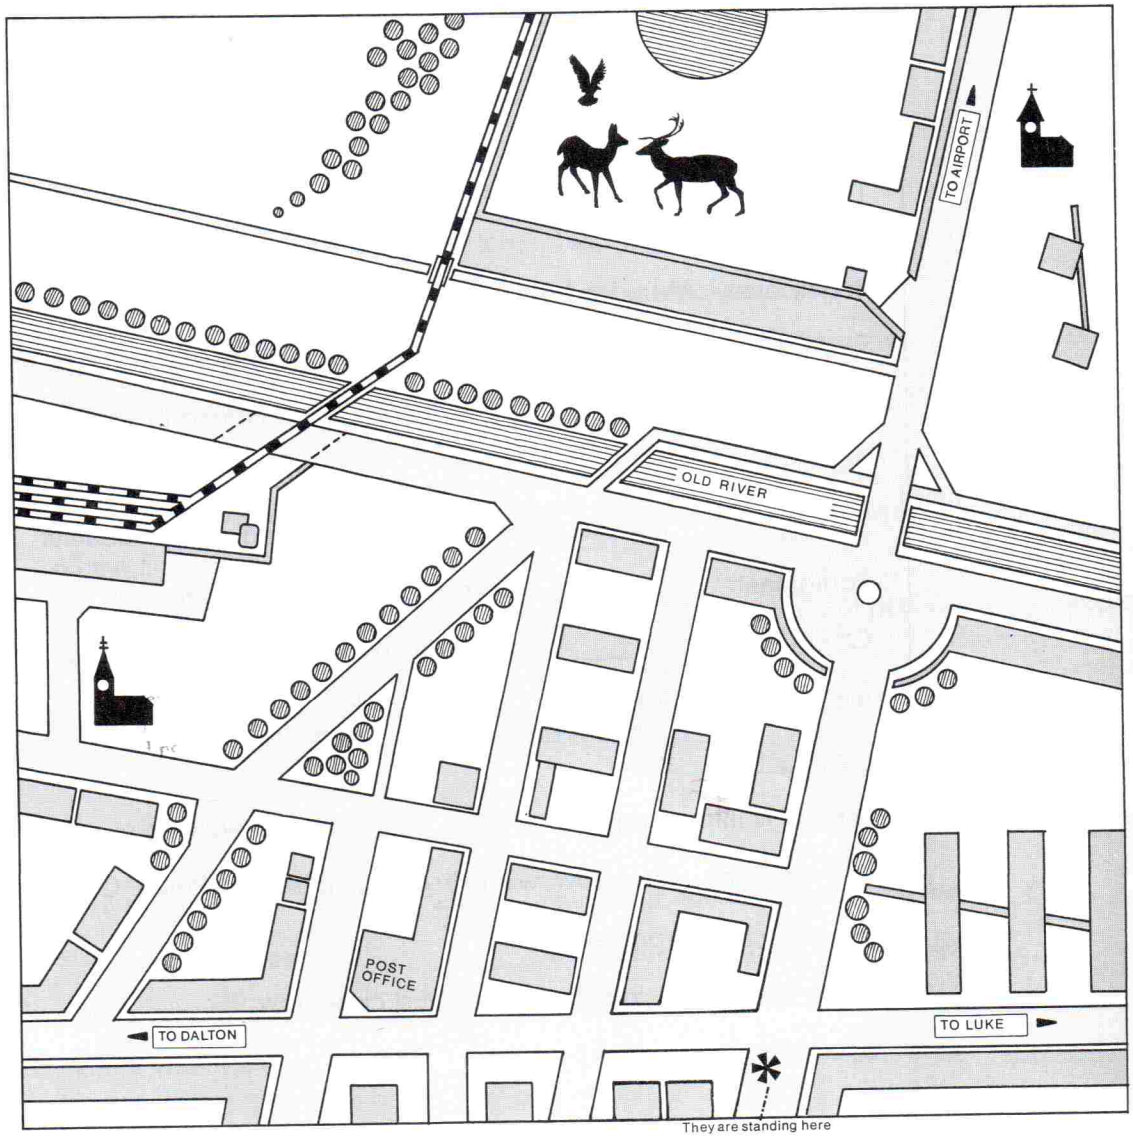
1. The way to the station that the policeman suggests.
2. The places Tim passes.

Tim: Excuse me, can you tell me the way to the station, please?

Policeman: Yes, of course. But it's a long way! First you go along here to the left. Then you take the third turning on the right. There's a post office at the corner. Go along there. Take the first turning on the left. Then you come to a crossroads. It's very dangerous there, so wait for the green light and then cross the road. Go straight on as far as the church. Turn right. And then you'll see the station in front of you. All right?

Tim: Yes, I think so. Along here, third right, first left, straight over the crossroads, then right at the church.

Policeman: Yes, that's right. Good luck!



●●● 4.2 Write a similar dialogue and act it.

In front of the station they ask a policeman how to get there.
