

Travel with Gran Tour

One day it's my cousin ~~called~~ Nikolai's birthday but I didn't have a present for him. When I went ^{to} my garden I saw a big garage flying in the sky. ^{Then I had an idea:} I could buy a travel with Gran tour ticket for my cousin. So I bought it in the garage from Gran. And people were inside!

At Midday we went to the garage and gave the tickets to Gran. Then she sent us to sit in the garage. After that we flew. 10 minutes later we were in London and we went to visit the Queen. We drank black tea with milk with her. After that we left. We flew ^{to a} cinema when we went down. Everybody left the garage.

We went into the cinema ^{to} room 8. There ^{we watched} was a film called "Stone people". Suddenly Gran ran and jumped into the film. Everybody was very surprised. They ^{asked} "Where is Gran?" Without warning my younger cousin ran and jumped into the film, too. Without thinking I ran and jumped into the film, to help Nikolai.

Suddenly ^{my cousin} Gran and I were in year 5500 BC. In a jungle and a lion wanted to attack us. But before he ~~was~~ did that. A ^a mystery man ran and beat the animal and it ran away. ^{The} man was tall and strong. He said: "Are you okay?" Gran answered: "Yes, we are, thanks." The man brought us into a village to his marks.

1.) Gran is an alien, she can do some magic things. I flew with my family and Gran to Paris with a giant Egg. When we landed we arrived at the highest point of the Eiffel-Tower. Then there we were hungry and we ate some clouds. It was so ~~good~~ good. After ^{that} we jumped down to the earth and we looked up and the sun was on the highest point of the day.

3.) We said, bye, to the peoples there and we went to Paris back with the giant egg - we were ~~not~~ really happy about that! When we arrived at Paris and that time we landed at the music orsay. We looked and there we saw ^{Gran} behind of a statue the Gran, she was laughing so much and then she walked ^{to us}. After ^{that} we laughed all, it was funny.

4.) After ^{words} we walked down the champs-Élysées and then we looked our giant Egg and went to the tower Montparnasse. We looked pictures with our ^{fine} ~~to~~ Phone and got some ^{lovely} looking pictures. Then we ~~were~~ ^{were} tired and we went to ~~our~~ our giant Egg.
