## A CURIOUS KOALA!

This koala bear from Adelaide in Australia is very unlucky. An animal centre rescued\* him three times!

- Three years ago, he dropped out of a tree.
- Two years ago, a car knocked him down\*.
- This year he tried to walk through a fence\*!

### CROWN CULTURE Koala bears

- Koala bears come from Australia.
- They sleep for 19 hours a day.
- They live for 12 years.
- They are good at running and swimming.
- Only one koala bear lives in each tree.

Please be careful, koala bear!
