

Animal Guessing

Step 1: The class thinks of an animal (or draws the name of an animal from a box)– one of the teachers has to guess the animal.

Step 2: Then change roles: Teacher thinks of an animal, class guesses.

Use these questions: Show on projector

Ask these questions:

<i>Is it</i>	<i>big / small / a mammal / an insect / a fish... ? grey / white / black / brown...?</i>
<i>Does it eat</i>	<i>carrots / grass / meat / spaghetti / bread / nuts...</i>
