

My holiday plans:

In the holidays I am going to do lots of nice things. First, I am going to bake some Christmas cookies. On the 24th of December I am going to decorate our Christmas tree with my daughter and my husband. Then we are going to go to the cemetery to light a candle on my mother's grave.

In the evening we are going to celebrate Christmas and open our presents. On Christmas day my whole family is going to come to my house and we are going to eat and celebrate together.

In the second week of the holidays I am going to go skiing with my husband. We are going to a small village in Salzburg for a week. In the evenings I am going to read lots of books.

I am really looking forward to the holidays.

My life in 2040

I'm not sure. what my life will be like in 2040. I think I will live in a flat or in a house with my partner. Maybe I will have some children.

I hope that I will have a good job. Maybe I will be a

I will earn a lot of money and I will travel to many countries in my holidays. There I will speak English with people from all over the world.

I'll have a car of my own. It will probably be an electric car – or maybe I'll go to work in a self-driving car. Maybe, I will even have a flying car.

I will have many good friends. Some of them will be my old friends from PraxisNMS.
