

A family weekend

A family weekend

- **Step 1:** Put the dialogue in the correct order (the underlined words can help you)
- **Step 2:** Write the dialogue and highlight all future tenses (use 2 colours, one for **going to** and one for **will future**)
- **Step 3:** Find 2-3 partners. Change the dialogue to make a new sketch. Write it down. Let your teacher check.
- **Step 4:** Act out your dialogue for your teacher.

It is Sunday morning. The Gowmans are sitting at breakfast.		1
Mum:	Come on guys. Pack your things, we are going to go <u>snowshoeing</u> . 	2
<u>Debbie</u> :	I don't like <u>snowshoeing</u> . I want to play computer games.	
Dad:	Come on <u>Debbie</u> , it will be <u>fun</u> .	
James:	No, it won't be <u>fun</u> ! It will be <u>wet</u> and cold and exhausting.	
Dad:	No, that's not true. It won't be <u>wet</u> . Today it will be nice and sunny and we will have a lot of fun!	
<i>Debbie goes to the window and looks out of the window.</i>		
Debbie:	Dad... I think it's going to rain.	7
Dad:	Nonsense, it will be warm and sunny.	
<i>James walks over to the window, <u>too</u>.</i>		
James:	But dad... <u>Debbie is right</u> . Look – there are black clouds. And it's windy. It is going to rain in a few minutes.	
Mum:	<u>Now stop it, kids</u> . The weather forecast says it will be a beautiful summer day.	
Debbie:	But look outside! It's getting really dark. There are black clouds. There's going to be a storm.	
Mum:	Nonsense. Come on. Get your snowshoes.	11
Debbie and James:	But Mum, look! It's already raining!	
Mum:	Oh dear. What a pity.	
Debbie:	Yeah, what a pity. I'll go to my room and...	
Mum:	Oh no young lady. You are not going to play computer games. We will spend the day together. Let's play a boardgame.	
Debbie:	All right.
