

Corrections for the LETTER TO MAUREEN 2020

Graz, September 10th, 2020

Dear Maureen,

Thank you very much for your postcard from Brighton. You must have had a wonderful holiday. My holidays **were** great, too.

This summer I **stayed** in Austria. Right at the end of term I **went** to the Salzkammergut by **car**. I **did** a lot of **hiking** in the mountains and **enjoyed** the view over the impressive landscape. I **took boat rides** on the wonderful lakes and also **went** swimming there. The water **was freezing cold, but refreshing**. I even **took a steam train** to the top of a high mountain.

The weather **was** not perfect, it was partly **rainy**, partly very hot, but I always **did** something nice.

When I **came** back to Graz I **had** a lot of work organizing my school things. I also **read** many books, **started** to learn Japanese, and **went** horse-riding again. **Unfortunately I didn't go dancing, because it's not allowed at the moment (because of Corona).**

I'll tel you all the details and I'll show you some photos when we meet in November!

Yours,
Béatrice
