

## Corrections for the LETTER TO MARY

Graz, September 10th, 2018

Dear Jeremy,

Thank you very much for your postcard from Florida. You must have had a wonderful holiday. My holidays **were** fantastic too.

I **spent** the first three weeks in Austria. I had a lot of work - preparing for the new school year. We also did some work in our flat - Martina moved to our room and we now sleep in her room.

In August we all **went to England**. **We took the airplane and flew to London**. **We stayed with friends for two weeks** and then we **went** to Scotland by car. In Edinburgh we **did** a lot of sightseeing and **visited** the Fringe festival. We **had** a great time together as a family. The weather **was** very nice and warm - we **enjoyed** the beach and **I swam in the sea**.

Then we went to the Highlands. There the weather was rainy, so we **read** lots of books. **I did not see** the monster of Loch Ness ☹.

I'll tell you all the details and I'll show you our photos when we meet in November!

Yours,  
Laura

No, I didn't fly to England. We went by train, car and ferry to Scotland.

No, I didn't stay with friends. We stayed in houses and flats that we rented via Airbnb.

No, I didn't swim in the sea. The sea is too cold in Scotland.
