

Stretch your Memory: My daily routines and my holidays

<p>My summer holidays 1</p> <p>I had wonderful holidays! This summer my family and I went to Italy for a few days. We went to Caorle by car and stayed at a campsite. We did not sleep in a tent – we slept in a mobile home. The weather was nice and we went to the beach every day. I swam in the sea every day but my sister did not swim in the sea – she only swam in the pool because she was afraid of the sea. One day we went to “Aqualand”. There were a lot of slides – that was the best thing we did!</p>	<p>My summer holidays 2</p> <p>This year we did not go abroad, we stayed in Austria all summer. I played football with my friends every day and I often watched TV in the evening. My best friend came to visit me for two weeks and he stayed with my family. We had a lot of fun and we often went swimming in the public pool. We also had a picnic in Stadtpark. I bought a lot of food and we baked a cake. It was a lot of fun.</p>	<p>My summer holidays 3</p> <p>This summer I spent two weeks in Croatia. I stayed with my grandparents near the sea. I went to the beach every day. One day we went on a boat trip. First it was very nice, and I took lots of pictures on my phone. When we went back, it was really windy, and I was a bit afraid because there were huge waves. I was very happy when we were back home.</p>	<p>My summer holidays 4</p> <p>This year I went to England for a week. We went to Heathrow by plane and stayed in an apartment in the city. It was very exciting! We went sightseeing and visited a lot of museums. Of course, I went shopping too! I bought some t-shirts and a cool bag. I spoke a lot of English and I watched TV in English. On the last day we got up at 4 o'clock in the morning because our plane left at 7 o'clock. We took a taxi to the airport and I fell asleep in the car, I was so tired!</p>	<p>My summer holidays 5</p> <p>In summer I met a lot of people. <u>First</u>, I visited my grandparents in Innsbruck. <u>Then</u> I spent a few days with my aunt and my uncle and my three cousins in Linz. <u>After that</u> I went to Klagenfurt by train. There I stayed with a friend and we went swimming every day in lake Wörthersee. At the end of August I came back to Graz and met all my friends from school again. We hung out in the park and playground and played football and basketball.</p>
<p>My summer holidays 6</p> <p>In the holidays my mother and I stayed in a fantastic hotel in Italy. It was near the beach and I could see the beach from my window. But the best thing about the hotel was the breakfast buffet. We usually slept in and got up at about ten. Then we had breakfast – with hot chocolate, cake, fruits, fresh bread, eggs – it was fantastic! We didn't eat any lunch because we were still full from breakfast but we had a nice dinner every evening.</p>	<p>My summer holidays 7</p> <p>In July I visited my cousin in France. I stayed at his place and we shared a room. It was very nice. My cousin is 15 years old and he likes playing computer games. We played a lot of games and had a lot of fun. I spoke English with my cousin because he can't speak German and I can't speak French.</p>	<p>My summer holidays 8</p> <p>In August I stayed in Graz. I read a lot of books and often went to the pool. I also studied for school a bit. I practiced for maths and I watched a lot of TV in English. I also made a holiday video and sent it to my teachers. I am sure that they liked it.</p>	<p>My summer holidays 9</p> <p>In summer I first went to Croatia to visit my aunt and my uncle. Then we went to Italy and stayed in a nice apartment at the beach for a week. After that I spent some time with my grandparents. In the middle of August the whole family took a trip to a lake in Salzburg. After that we came back to Graz and I started to work for school.</p>	<p>My summer holidays 10</p> <p>The best day in my holidays was August 13th. My cousin Mary got married and the whole family got together for the wedding. We danced and ate a lot of cake. In the evening I was so tired that I fell asleep on my chair – and my sister took a foto of me and put it on facebook. That was not fair.</p>
