## Travel with Gran Tours

Gran is not a normal grandmother, she is an alien.

Gran has a ~~travel agency~~ travel agency. My two best friends Anna and

<sup>and I</sup> ~~we~~ went in the city one day. We saw a little house there, <sup>with</sup> the

text ~~in~~ Gran's cool travel agency. <sup>on</sup> it. We went in the shop

and saw an <sup>old</sup> lady there. She <sup>came</sup> to us and asked: "Hello, can I help you

~~with~~ with something?" Anna said: "Hello, yes we want to travel with

your travel agency." "And where do you want to go?" asked ~~Gran~~ Gran?

"We want to go to the beach" I said. But ~~Pia~~ Pia said: "No we want to go

in the ocean." "Okay first to the beach and then in the ocean." means Gran.

When we turned around there <sup>was</sup> ~~was~~ a silly airplane <sup>with</sup> a drawn face <sup>on</sup> we got into it ~~we went in~~ the airplane and flew to the beach.

At the beach Gran asked: "Do you want to eat something?"

We all answered: "We would love to eat something." We bought two

sandwiches for everyone of us. One for now and one for later.

Behind us we heard something, it was a crab. And she talked to us!

She said: "Hello, I'm Greez the crab. And who are you?" "We are Anna, Pia, Alina and I'm Gran." answered Gran. "But now we need to go, our submarine is waiting for us." said Gran. We said good bye to Greez and went under <sup>water</sup> ~~water~~ with our submarine.

Under <sup>the</sup> ~~water~~ was it at first really quiet but suddenly we heard Anna scream. "There is a shark!" <sup>screamed</sup> Anna. We all ~~got~~ panicked and dived deeper <sup>into</sup> ~~into~~ our submarine. It was dark there, but suddenly there came a group of little bright fishes. We waved at them and we heard them say "hello".

After a while Gran said "So girls, now we need to <sup>go</sup> ~~went~~ back to the Travelagency. After she <sup>said</sup> ~~was saying~~ that we were back at beach. We went back to our airplane and flew to the Travelagency. When we were there we said "Thank you!" and "bye" to Gran. What an amazing day!

Wow! That's a really cool adventure.

Great writing, Alina
