Time Capsule: What will my life be like in 2040?

Written in 2018.

Imagine yourself when you are all grown up. What will your life be like? Where will you be living? Who will be with you? What will you be doing? What will the world be like?

Draw a portrait of yourself here.

1. Things I'll do or not do

When I am all grown up, I think I will do these things.

Tick all the things that you'll do – and cross out the things you won't do when you are grown up.

- I'll stay up late at night.
- I'll have a garden. ✓
- I'll live in a big house with a pool. ✓
- I'll have a pet. ✓
- I'll be married. ✓
- I'll have children. ✓
- I'll work from 9 to 5 every day.
- I'll go camping in the holidays. ✓
- I'll spend my holidays in a 5 star hotel.
- I'll eat lots of sweets.
- I'll go to lots of concerts. ✓
- I'll watch every football or soccer game on TV. ✓
- I'll watch the TV news every evening.
- I'll work in a large company.
- I'll be my own boss.
- I'll sing in a choir.
- I'll play a musical instrument.
- I'll play in a band.
- I'll have a car of my own. ✓
- I'll have friends in other countries. ✓
- I'll speak at least three languages.

What will the world be like when you are grown up?

I think we will have flying cars. Maybe we will have many hotels on the moon or on mars. Maybe we will live on the moon. Maybe we will have microchips in our brain in the future.

What else will be different?

Maybe we will have self driving cars. Maybe we will have robots for some jobs. Maybe there will be new jobs in the future. Maybe children will not go to school. They learn all from the computers.

4. The World in 2040

What will you eat in the year 2040?

I think we will eat insects and vegetables. I also will eat meat, but I think we will eat less meat.

How will you travel and go to work?

I will go to my job by flying cars. In the holidays I will travel by flying camper. Maybe I will teleport to a other country.

3. My Daily Routine

When I am grown up, I will...

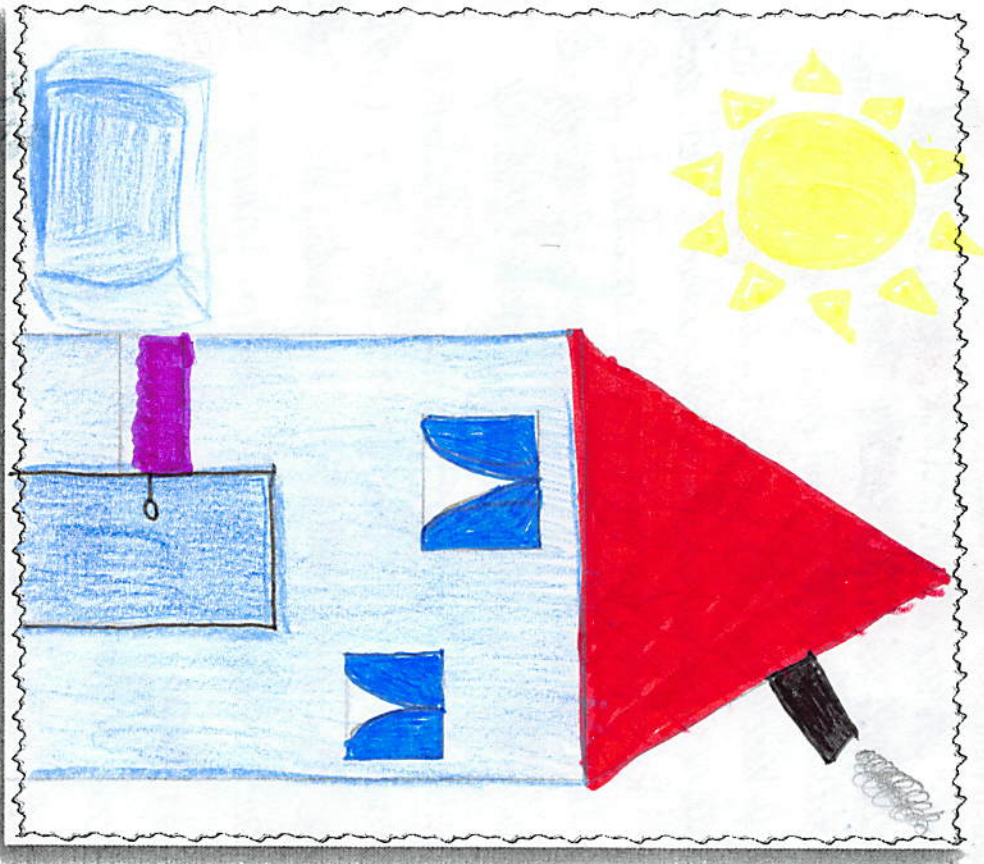

I will get up at six o'clock. Then I will eat breakfast with my family. Then I will drive my children to school and will go to my job. I will be a kindergarten teacher. I will play with the children. After work I will go home and I will cook for dinner. My children will come home with the bus. Then we will eat dinner with the whole family. Then I will play some games with my family. At seven o'clock I will go to help my children with their homework. After that I will take a shower and make my hair. Then I will watch a film with the whole family. At half past nine I will bring my kids to bed. Then I will work for my job and then I will watch TV with my husband.

That's a very full day. I hope you'll also find time to relax.

EXCELLENT
