There is also our large living room with the kitchen. In the living room there are many large windows. On the second floor there are three bedrooms, a bathroom and a toilet. My school day

On schooldays I always get up at quarter past six. I'm very tired in the morning. My parents get up at six o'clock and they make a breakfast for me. After that I dress me and I clean my teeth and style my hair. My brother gets up when I leave the house at quarter to seven. I often go to school by bus. Sometimes I ride the bike with my father. My school starts at quarter to eight. In the morning I always read. We have recess at quarter to ten till ten past ten. Often I play basketball, ball soccer and table tennis. I like it. At 25 to one we go to the cafeteria and we have lunch. After that we have a long recess. We play basketball and ball soccer. After the recess we have time to study. When the school ends I arrive home at five o'clock but on Monday and Wednesday I have soccer training and then I arrive home at quarter past six. At six o'clock we have dinner, because we all at home at this time. I practice vocabulary and I take a shower then I go to bed.
