TRAVEL WITH GRAN TOURS

It was my mom's birthday and I wanted to surprise her. So, we went on the trip with granny and my mom. My mom likes the beach, so we flew to the ocean with a magic travel-bus. The magic travel-bus can fly.

After six long hours we were at the ocean with granny and my mom. My mom was very happy because she liked the sun. My granny was not a normal grandmother like other grannies, she was a half alien. On the beach there were many grandparents, they were aliens too. After a little time the grandparents and a granny organized a welcome-party for me and my mom. On the table there was a large fruit cake, it was a very nice cake. After the long party we went to sleep in a magic hotel, in this hotel the water was pink and the grass was blue.

On the next day we got up at ten o'clock. Then we went to the beach, I went to swimming and my mother slept on the beach. We were a whole day on the beach. Then in the evening we went to the city. It was so wonderful! Every day we did the same things, but it was never boring. On the last day we bought a new dress for my mom. Then we travelled back to Graz. The best was that on all these days my mom was happy, but I was happy too because I spent the whole day with my mom!

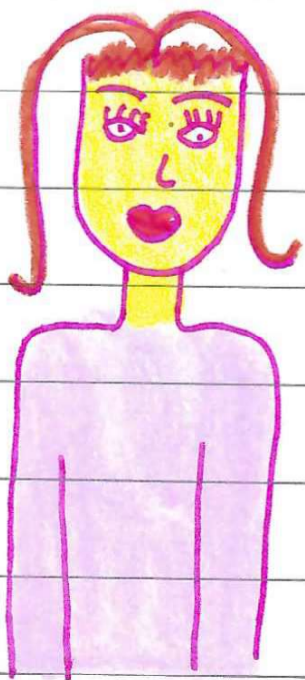

IT WAS WONDERFUL! IT'S
