2. What will your home be like when you are grown-up?

Make a drawing.

Describe your home in detail.

When I am grown up, I will live in....

an old house with a big garden and lot of trees. In my house I will have two floors and eight rooms. The first room will be the living room with a big table and a sofa with a TV. Next to the living room it will be the kitchen with an IKEA kitchen. On the top floor there will be the two rooms of my children and the bedroom for me and my husband. In front of the bedroom there will be the bathroom and the toilet. This will be my house in the year 2040

That sounds like a perfect house for a happy family. ☺
