

Dear Tim,

You have written a very nice book about your life in the future. I hope your dreams will come true. Read your book in the year 2040 and check if your ideas have come true.

A few language tips: Write a sentence with eod one on a sheet.

- On the first floor
- insects
- I have
- vegetarians

**GREAT WORK!**

Very nice work, only a few spelling mistakes

TIM

## Time Capsule:

### What will my life be like in 2040?

Written in 2018.

Imagine yourself when you are all grown up. What will your life be like? Where will you be living? Who will be with you? What will you be doing? What will the world be like?

Draw a portrait of yourself here.

## 1. Things I'll do or not do

When I am all grown up, I think I will do these things.

Tick all the things that you'll do – and cross out the things you won't do when you are grown up.

- I'll stay up late at night.
- I'll have a garden.
- I'll live in a big house with a pool.
- I'll have a pet.
- I'll be married.
- I'll have children.
- I'll work from 9 to 5 every day.
- I'll go camping in the holidays.
- I'll spend my holidays in a 5 star hotel.
- I'll eat lots of sweets.
- I'll go to lots of concerts.
- I'll watch every football or soccer game on TV.
- I'll watch the TV news every evening.
- I'll work in a large company.
- I'll be my own boss.
- I'll sing in a choir.
- I'll play a musical instrument.
- I'll play in a band.
- I'll have a car of my own.
- I'll have friends in other countries.
- I'll speak at least three languages.

What will the world be like when you are grown up?

I think we will have a telephone in our house. I think there won't be any petrol, therefore there won't be any planes.

What else will be different?

We will go to work with flying cars. And we will eat insects. We will not drive with cars because we must save the planet.

### 4. The World in 2040

What will you eat in the year 2040?

Will not = wont

We will eat insects. We will not eat meat because we are vegetarian.

How will you travel and go to work?

I am that a guru, but maybe I will work at a computer programmer.

### 3. My Daily Routine

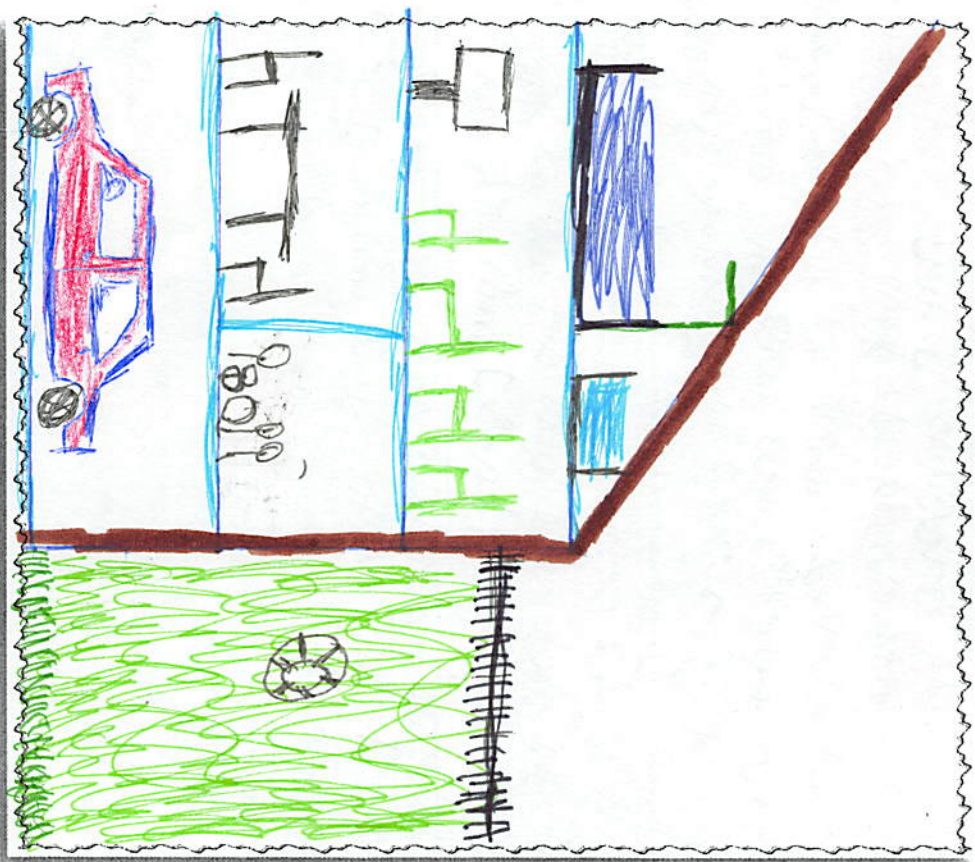

When I am grown up, I will... get up at seven o'clock. At breakfast I will eat insects and drink. At half past nine I will start to work at a bank or a shop. At five o'clock I will walk my dog. At half past seven I have dinner with my family. I will watch TV at eight o'clock. And I go to bed at ten o'clock. At the weekend I will get up at nine o'clock. At breakfast I will eat eggs and meat, because this is a special day. Then I will go to school. I will watch TV. Then I will walk my dog. In the afternoon, I hope I will go swimming. I hope my dog will be thick and funny.

That sounds like a good life. I hope your plans will come true.

## 2. What will your home be like when you are grown-up?

Make a drawing.

## Describe your home in detail.

When I am grown up, I will live in... a big house with a very big garden. In the garden there will be a pond, every day I get water from it. In the front there are the garage I will have a car. In the second floor there will be the kitchen and the dining room. I will be a very good drummer. My bedroom will be the kind of room because this is the indoor room. I love watching TV. In the fourth floor it will be a big room with a jumping box and a small table. My house will be very big because I will have many windows. This will be my very cool house.

What a cool house? ☺
