

Animal names

Children sit in a circle. Each child chooses an animal card.

They introduce themselves: I am a mouse...

Then 1 player (teacher starts) sits in the center and calls out a few animals (dog, rabbit, raccoon, giraffe –run!)

These animals quickly get up and switch places. The player in the middle tries to snatch a seat – One animal is left without a seat and starts the next round....

Tip: use chairs or shoes or sweaters... to mark the places – otherwise they sneak in.
