
MY HOLIDAY SNAPSHOTS

Step 1: My mental pictures

Think of three interesting scenes or events that you experienced during your holidays and imagine these scenes in detail. Where was it? Who was there? What did you see? What was the atmosphere like?

Create a mental snapshot of each one. Write captions for your snapshots as if you were writing captions below the pictures in your personal photo album.

e.g.: *Best pizza ever 😊* *Sunset at our campground ...*

Step 2. Sharing holiday snapshots

Work with a partner and share your newly created holiday snapshots. Describe each of the pictures in detail. Make sure your partner can truly picture the scene. Ask for further information and details about your partner's pictures.

Follow your teacher's instructions and swap partners to share some more holiday snapshots.

Step 3: The coolest snapshots

Be prepared to present and describe some of the coolest snapshots that you have "seen" in this activity. We'll take a vote on the best summer picture in our class.
