### Task 4: The “Da Vinci Code” effect

Note: For the test format *Word Formation*, the candidate does not get the point if the word is misspelt. The correct spelling of the word is part of the candidates' knowledge of the word and their competency in using it.

To ensure that the test results are of the same standard nationwide, and in the interest of fairness to students, it is essential that the answers accepted are also the same across all of Austria. Should students give answers that are not in the key and you are in doubt, please contact the *Hotline*.
