Task 3: Our Class Trip

<p>Last May we went on a class trip to England. We spent the first few days in the capital because visiting all the famous sights.</p> <p>In London the whole class stayed in a youth hostel but when we went than to York in the north of England, we were with host families. My host family had spending a lot of time for me and I got the chance to practise my English good. It wasn't always easy due to listening their strange accent, but I think I made some progress during the two weeks I was there living.</p> <p>York is a historical city with plenty to see and do. The surrounding countryside is also very beautiful place and we went however on a few day excursions, including one to the seaside, where we were amazed to see several of people swimming in the sea in spite of the cold wind. I suppose the English are used to doing things like that.</p> <p>The only thing I would want criticize about our trip to England was the language school we have attended every morning.</p> <p>Although the teachers were young and friendly most, the lessons were really uninteresting and I don't think we benefited greatly. We read texts all the time and it was boring them. There should may have been a lot more speaking and listening activities.</p>	<table border="0"> <tr> <td style="text-align: center;">✓</td> <td style="text-align: right;">0</td> </tr> <tr> <td style="text-align: center;">because</td> <td style="text-align: right;">00</td> </tr> <tr> <td style="text-align: center;">✓</td> <td style="text-align: right;">Q25</td> </tr> <tr> <td style="text-align: center;">than</td> <td style="text-align: right;">Q26</td> </tr> <tr> <td style="text-align: center;">spending</td> <td style="text-align: right;">Q27</td> </tr> <tr> <td style="text-align: center;">good</td> <td style="text-align: right;">Q28</td> </tr> <tr> <td style="text-align: center;">listening</td> <td style="text-align: right;">Q29</td> </tr> <tr> <td style="text-align: center;">living</td> <td style="text-align: right;">Q30</td> </tr> <tr> <td style="text-align: center;">✓</td> <td style="text-align: right;">Q31</td> </tr> <tr> <td style="text-align: center;">place</td> <td style="text-align: right;">Q32</td> </tr> <tr> <td style="text-align: center;">however</td> <td style="text-align: right;">Q33</td> </tr> <tr> <td style="text-align: center;">of</td> <td style="text-align: right;">Q34</td> </tr> <tr> <td style="text-align: center;">✓</td> <td style="text-align: right;">Q35</td> </tr> <tr style="background-color: #cccccc;"> <td></td> <td></td> </tr> <tr> <td style="text-align: center;">want</td> <td style="text-align: right;">Q36</td> </tr> <tr> <td style="text-align: center;">have</td> <td style="text-align: right;">Q37</td> </tr> <tr> <td style="text-align: center;">most</td> <td style="text-align: right;">Q38</td> </tr> <tr> <td style="text-align: center;">✓</td> <td style="text-align: right;">Q39</td> </tr> <tr> <td style="text-align: center;">them</td> <td style="text-align: right;">Q40</td> </tr> <tr> <td style="text-align: center;">may</td> <td style="text-align: right;">Q41</td> </tr> </table>	✓	0	because	00	✓	Q25	than	Q26	spending	Q27	good	Q28	listening	Q29	living	Q30	✓	Q31	place	Q32	however	Q33	of	Q34	✓	Q35			want	Q36	have	Q37	most	Q38	✓	Q39	them	Q40	may	Q41
