## Paired Activity

### Candidate A

You and your partner are organizing the class trip to Great Britain after the final exams. You have to decide the specific destination. Your class has suggested these two alternatives: a hostel in London or a bed and breakfast in a small Scottish village. You prefer London.

Discuss with your partner which destination you should go to. Include the following points:

- Cost
- Possible activities
- Food
- Your experiences with similar locations

Come to an agreement at the end.

## Paired Activity

### Candidate A

Your school has a partner school in New York, USA. Next month a group of 20 students is visiting your school. Apart from seeing your school they want to see a bit of the country. You and your partner have to organize a two-day-excursion over the weekend. Your class has suggested these two alternatives: a trip to Vienna or a hiking trip. You prefer the trip to Vienna.

Discuss with your partner which trip would be best. Include the following points:

- Cost
- Possible activities
- Food
- Your experiences with similar locations

Come to an agreement at the end.

## **Paired activity**

### **Candidate A**

Sun, sea and sand are often not enough for travellers. A lot of people want more than that. They want their holidays to be a learning experience. After the final exams your class is having a trip to the sea, "Sunsplash 2014". You, however, have already planned to work as a volunteer with children at the same time and cannot go on this trip.

Discuss with your partner why working as a volunteer is more important than the final trip with your classmates. Include the following points:

- Unique experience
- Costs
- Schoolmates vs. new friends

### **Candidate B**

Sun, sea and sand are often not enough for travellers. A lot of people want more than that. They want their holidays to be a learning experience. After the final exams your class is having a trip to the sea, "Sunsplash 2014". Your friend, however, has already planned to work as a volunteer with children at the same time and cannot go on this trip.

Discuss with your partner why he / she should not miss the final trip with your classmates. Include the following points:

- Unique experience
- Costs
- Schoolmates vs. new friends
