***Category 1: Developing expertise in **new IB educators*****

Category 1 workshops provide professional development and assistance for schools that have decided to apply for IB authorization, the process schools undertake to become IB World Schools. Educators who are new to a school with an existing IB programme, or those interested in joining an IB World School, should also consider category 1 workshops. Participants will learn about:

- the basic philosophy and curricular model of the programme
- programme standards and practices appropriate to the participants' role
- the appropriate framework for their programme of choice.
