**Skills & Strengths (10 pts.)**

Katniss	Peeta

**Essay Question (20 pts.)**

Based on the information you have up until this point in the book (if you read ahead, do not use any information from Part II or Part III), predict who will win the Hunger Games. Also predict *how* that person will win the Games.

Look at the skills/strengths of Katniss and Peeta. Also consider the training the Careers have gone through. Don't forget about the District 11 tributes or the role sponsors may play. *\*If you read ahead & know how it turns out, you may summarize the outcome and whether or not you were surprised and why or why not.\**

Your essay should be in complete sentences. Include an introductory sentence (which can be as simple as restating the the prompt). You should be able to fill up the back page. You may use notebook paper if you need more room.
