THANK YOU FOR YOUR PURCHASE!

I never imagined when I first posted my lessons and this unit online in 2009 that it would be used by so many teachers around the world. I am very grateful and flattered. I have tried to keep up with posting replies to your feedback because I want you to know how much I appreciate it, but teaching has a way of taking up a lot of time! Please know that I do read your responses, take your advice for improvement, and feel so honored when I read of your success stories.

NEWLY UPDATED OR ADDED...

I aligned my unit with the new Common Core Standards. You can find that file in the **TeacherKey** folder labeled “**HungerGamesCommonCoreStandards.**”

REGARDING REQUESTS...

I can no longer fulfill requests for documents in other formats. I have the formats of all the documents listed on the download preview and noted in the description that the digital unit is mostly PDFs. Because of the size limitation of the digital download, I could only include a few in both PDF & Word. I felt the tests and quizzes would be ones that you would most want to customize, so those are included in Microsoft Word. Many of the files are listed on the site in Word if you'd like to purchase them separately, or you can purchase the [CD](#), which contains almost all the files in Word, PDF, and iWork Pages (Mac). The Facebook activity can be purchased as a Word document here: [FacebookWord](#). Thanks for your understanding.

THE FOLLOWING PAGES INCLUDE:

- **Terms of Use** for the Hunger Games Unit
- **Table of Contents** (organized by contents within folder and actual file name in parentheses)
- **Helpful Links**
- **Classroom Poster/Printable**

FOLLOW ME ON...

My Blog: I began blogging about my experience teaching this trilogy in November, 2010 and have been posting ideas, tips, and visual aides from my classroom. You can check it out here: <http://www.hungergameslessons.com> If you have a website or blog with examples of your students' work that you would like me to share on my blog, please email me at hungergameslessons@gmail.com with a link, or feel free to post a link in the comment section of any of my posts.

Facebook: I also have a Facebook Fan Page where I post links to any sales, giveaways, or fun stuff (like movie news!): <http://www.facebook.com/hungergameslessons>

Twitter: And because this is the technology age and I figured I better get with it—or at least try to keep up—you can follow my “tweets” on Twitter [@MrsOrman](https://twitter.com/MrsOrman)

CLASSROOM PRINTABLE...

The next page has a classroom printable that you can hang in your room while reading (or after reading) *The Hunger Games*. I am affiliated with [Down With the Capitol](#), but what I love most about them & [The Hunger Games Fireside Chat](#) is that they are constantly adding features to their site to help teachers and students go even more in depth with the novels.

REMINDER OF COPYRIGHTS...

And a final reminder to please use the materials for your classroom use only. If you want to share the materials with your students electronically, please either directly transfer them via flash drive, email, or bluetooth rather than posting them on the internet. If your students are able to download it, that means anyone can—even on a secure, password-protected site. Thank you so much for understanding and respecting the copyright.

Thanks so much,

-Tracee Orman
