

The Family

The father

The father of Matilda is a criminal. He sells stolen cars, changes the number-plate and repaints the cars with a different colour. They look like new. Everyone buys a car because they think it's new.

The mother

The mother is really a bad person like her husband. They eat every day in front of the tv. They only eat fast-food. She also is not fair to Matilda.

The brother

The brother is not smart as Matilda but the parents think he is really smart. (smarter than Matilda) but he isn't.

Matilda

Matilda is a good girl. With four she could read. When she came to school she was really smart already. She could read calculate very well and write. Her best friend is Lavender. She is as smart as a normal 5 year old girl. Ever Thursday Mrs. Trunchbull teaches Matilda's class. Mrs. Trunchbull hates Matilda because ~~she~~ Matilda's father said: Matilda is a bad girl.

Mrs. Honey

Mrs. Honey is also a good friend of Matilda. She had a bad life do a child. Mrs. Trunchbull is her aunt and she had to live with her her whole life. No, not really. Two years ago she went to a hut in a forest. Now Mrs. Trunchbull isn't here anymore because Matilda and Mrs. Honey fought against Mrs. Trunchbull and won.
