**To Whom It May Concern:**

I am writing this reference at the request of Ms. Britt Ellensohn, who is applying for a study abroad program. Ms Ellensohn is enrolled in the teacher education program for the subjects English, Biology and Sports at the university of Graz.

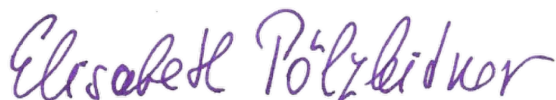

I have taught Ms Ellensohn in several of my ELT methodology courses at Graz University and at the University College of Teacher Education, Styria (Pädagogische Hochschule Steiermark).

Ms. Ellensohn immediately caught my attention due to her active participation in class discussions and the very good quality of her work. Ms. Ellensohn seems to be genuinely interested in all issues related to ELT methodology. She works hard at improving her own language skills and actively explores theoretical as well as practical aspects of language learning and teaching. She is one of the top students in my classes. Her comments and questions show her excellent motivation and high awareness of pedagogical issues.

On a personal level, I have experienced Ms. Ellensohn as a very curious, open-minded young woman with excellent social skills. She has a very pleasant, outgoing personality and is very well-organized and highly responsible. For her future career as a teacher the experience of studying abroad would be highly beneficial. It would not only help her polish her language skills, but also broaden her horizon and cultural awareness.

I can highly recommend Ms. Ellensohn for any language or methodology program. If you have any questions, please do not hesitate to contact me.

Sincerely,

Dr. Elisabeth Pölzleitner
