## STEP 1: CAST ON & RIGHT BACK SHOULDER

Note that the stitch pattern on lines involves two consecutive RS or WS rows. You will need to slide the stitches to the other end of the circular needle for each row. See Chart 1.

Some short rows involve starting or stopping in the middle of a row.

c1 (2p1): on every other row, work first/last stitch with both yarns to secure the edges.

N1: working circular, 3 mm (US 2.5)

N2: double-pointed needle (dppn), 3 mm (US 2.5)

Pure Pop pullover is my Zigzag homage to Britt Marie Christoffersson, founder-member of the bold and zeitgeisty 10-Gruppen (Ten Swedish Designers) of the collection of unorthodox artists and designers of textiles, fabrics, prints. The stitch pattern is from Christoffersson's book, Pop Knitting – swatching to see what combinations of colours delivers the best 'pop' is part of the fun. The normal Zigzag construction is in play, but this is a 3-row pattern, so there is some mysterious sliding back and forth of all stitches to get the single row to where it needs to be before you start knitting in the round.
