

Overview of Tense Notions and Aspects

In the course of the semester enter a typical example sentence for each notion. Your sentence should not only be correct but TRUE for yourself. Choose examples that say something about your own experiences in life. Then draw a "logo" for each notion. The logo should remind you of the concept and typical contexts of the notions.

Tense Form & Logos for each notion	Notion	p.	Your true sample sentence																																																												
<p>Present Simple</p> 	Present States	69	My bike is purple with a black saddle.
