Source text(s) or films are suitable for the age group										
Tasks are appropriate and appealing for the age-group and would work in an average class (difficulty of tasks, set-up…). The tasks cover a wide range of skills and competences: reading, writing, speaking, listening, intercultural awareness, personal skills...										
The instructions are clear so the students will understand them independently and in groups. The language of your instructions is idiomatic and correct.										
Structure and completeness: The project package is complete and well-structured**.** It is easy to find your way through the materials. All stages of the project are covered: book-choosing, pre-reading, while-reading, post-reading, presentations										
Appealing layout of materials: The package is ready for use in class. (copiable masters e.g. picture size, cards, worksheets…)										
Overall impression and assessment:
