To
Everybody who doesn't
know Calvin and Hobbes
yet
or
wants to know them
better

Calvin and Hobbes are my new favorite comics. And if you'll read them, you are going to like them too. The comics are so fun, that you could read them a whole day without stopping. (Like as I did!)

Calvin is a 6-year-old boy who hates school, homework and girls, especially Susie Derkins, who lives in his street and is a perfect student. His best friend is his ^{stuffed} tiger Hobbes, who does his homework and is the "First Tiger" in G.R.O.S.S (Get Rid Of SlimygirlS) a club they founded together.

But even if they are friends, they do often fight. And still, they are nobody without each other. An other thing, that is typical for Calvin, is his fantasy. In school he talks to aliens or he is a dinosaurier. So go on reading Calvin and Hobbes!

You will LOVE it!

Yours,

Johannig!

⊕ Hobbes is only for him a "real" tiger. All the others see him as a stuffed tiger.
