The Trouble with Mam

This is Mrs. Spiderleg.
She is a good witch but sometimes
she is very embarrassing.
Sometimes when she doesn't like
people she turns them into frogs.
She is about one hundred years
old but she looks very young.

Also very embarrassing is her hat. She always
wears it. It is a black witch hat with a
green snake around it. There is also a rat
and there are cherries and flowers. She has
many hats. For each season she has ^{her} own
hat. This was the spring-hat.

① The spring hat
It is a normal black witch hat but there
is a blue-green snake around the top of
the hat. There are also some pink flowers
and a bunch of cherries. A rat runs always
around the hat.

② The summer-hat

It is a black hat with sand around it. On the sand, there live a fish and a lizard. There is also a cat's head. For very hot days it has a small spring on the top.

③ The autumn-hat

It is a black withers hat. There are some leaves and there is a red apple with worms in it. On the top of the head there is a squirrel's tail.

④ The winter-hat

It is black with blue silk. There are some white snow-flakes on it. There are fat flies and spiders.

Mum's horrible worm-cupcakes

First you take two kg worms and cook them in a big pot. Then you take eight spider legs and put it to the worms. Then you mix elephant blood with flour and mix it with the worms. You take your magic wand and turn it three times over the pot. Then you put it into small forms and bake it. It tastes horrible!
