Dumbo's mom

Dumbo's mom is called Mrs. Jumbo. She is a very experience circus-elephant. But if someone annoys her son she gets serious.

Timothy Mouse is Dumbo's friend. Dumbo didn't know, that when he is an elephant he normally has to be scared of mice.

How Timothy Mouse looks like you can see at the left bottom of the page. But still, I will explain it to you. He is wearing red-black-yellow cap with a yellow feather on it. He always wears in white gloves like Michal Jackson. He is wearing something like a red jacket-pullover. It looks a littlebit like Queen Elisabeth's guards.

After the parade some naughty boys came up and began teasing Dumbo. Mrs. Jumbo picked the leader and gave him a good hard smack with trunk.

She had only wanted to teach the boy a lesson for being cruel, but the people thought she had gone mad. They began to scream and run to safety. The circus men came running with ropes. "We'll have to look her up," shouted one of them.

And Dumbo watched in tears as his mother was dragged away.

Poor Dumbo didn't understand. No one took any notice of him and, tired and frightened, he rept back to the elephant tent.

But the elephants had decided that Mrs. Jumbo had brought disgrace to their good name.

They wanted nothing to do with Dumbo and wouldn't even speak to him.

So that night Dumbo lay down and cried himself to sleep.

# Charlie AND THE CHOCOLATE FACTORY

by Roald Dahl

## What the book is about:

It's about a boy who is called Charlie Bucket. He lives together with his mom, his dad, his grandparents and his grandmothers in a small wooden house. The house has just two rooms. In one of them there is a bed, where all the grandparents are. The only one in the family who has a job is Mr. Bucket. That's why the family is very poor. On the way to school Charlie has to go next to the Chocolate Factory. There it smells fantastically. One day, when Charlie was at home, his father read in the newspaper that Mr. Willy Wonka had hidden five Golden Tickets in five of his chocolate bars. When Charlie heard this he was very sad, because he gets just one chocolate bar in the year (for his birthday). And those Golden Tickets allowed you to go into Mr. Willy Wonka's Chocolate factory!

The first Golden Ticket: Augustus Gloop: He is very, very fat. He eats chocolate for the whole day!

The second Golden Ticket: Veruca Salt: She is a very, very rich girl. Her parents do everything for her!

The third Golden Ticket: Violet Beauregard: She chews gum all the time. She chews a gum over three months!

The fourth Golden Ticket: Mike Teavee: He always watches television and he has lots of machine guns!

The fifth Golden Ticket: Charlie Bucket!

## Mr. Willy Wonka's Chocolate Factory:

Mr. Willy Wonka is the best chocolatemaker ever. But he also makes other things, like chewing-gum that never loses its taste.

But once Mr. Willy Wonka had to close his factory. All the workers lost their jobs. Why? Because there were spies. They told other factories Wonka's secrets. How they could make chewing gum that never loses its taste. But after a few months he opened his factory again, without workers. No one knows who are the workers now, because no one ever goes out and no one ever goes in! The only thing we know is, that the workers are very small. Because at night you can see small shadows behind the windows. That's the mystery about

Mr. Willy Wonka's Chocolate Factory.

Wow! That's excellent work, Doc. You've read great books and your entries are really COOL
