

My dream classroom

My dream classroom has a door on the right side and on the left side there is a window. In the front of the classroom there is a blackboard in the middle, and in the left corner there is the teacher's desk. At the back there is a pinboard on the right side and in the middle there is a picture. In the right corner in the back there is a green sofa and in the left corner at the back there is a door to the garden. In the garden there is a swimming pool and a trampoline. In the garden there is a big tree and flowers. In the front of the classroom in the right corner there is a TV-screen. This classroom has no desks and no chairs. This is my dream classroom.
