 an absolutely  
 perfect job  
 this semester.  
 Keep up the good spirit 😊

Dear Mrs. Pölsleitner,

I think I'm getting a one<sup>st</sup> in this year. Because I had two very good tests. I'm also do my homework regularly and carefully. If we get them back or getting feedback for them I correct them. If I make one mistake three or four times I write it on a vocab card. I also write long texts.

My materials are well organised. I understand the teachers and co-teachers and if I don't understand something I ask you.

I also use new vocabulary and I use old phrases and words we have already learned.

I can find partners for group work very easily. But one thing I really could do better next semester is to speak just English during this group-work. I listen to the teachers and understand and do what they are saying. I also read English book (now more than at the beginning of the year). And I make entries in my reading diary.

I try to be quiet during class. And I do my work efficiently.

I think I do it nicely and beautifully.

Thank you for teach us in English, because I really think, that it's hard sometimes!

Dora
