**I speak the languages:** English  
**Iv two brothers** 5 sisters  
**There names are:** Manny and Rodrick

# My Family

This is my aunt Dorothy,  
 I don't like her that  
 much because every time  
 I see her she gives me  
 a kiss for on my lips.  
 Her bond, Raul is not really  
 bond it's covered.

This is my cousin Benny.  
 His parents are Aunt  
 Patricia and Uncle Tony.  
 First he on knew that  
 words No! and Stop!  
 Now he can speak full  
 sentences and his parents said he can  
 already read chapters that I don't

This is my dad Frank Hopper.  
 He is my dad but I don't like him  
 that much because we don't always  
 want to do the same. But most  
 times we are best friends.  
 Every + Ring is good. He has  
 married Savannah Hopper!!

(from my own ideas)

Monday:

Today I (Greg) went to school as normal and everything was as it normally is. It was in the third period.

A bee was flying as loud as I never had heard it! In this our we had

Biopay with Mrs. Salmons, he, Mr. Salmons said: "That's the fire alarm, but no rears one we can stay in the ceass. So

we said in ceass. A few minutes later the guys from the fire station came and then I already knew this is a real fire alarm. So

I said to our teacher: "We have to go out side this is a real fire alarm!" He answered: "No, no, Greg

this is only a row!" "Okay," I said, "But after a while the guys from the fire station came and said: 'What are you doing in here, the school

is burning.'" The teacher said: "This boy said that is not a real alarm."

(He was pointing at me) "That's not true!" I said. "But I think they want believe me, I said."

This is my mum, Susan Heffery. I don't know how old she is so I can't tell you, my mum married my dad Frank Heffery and they have three children together (MelGreg = Gregory) Rodrick and Manny!

Tad is →  
Rodrick, my older brother.  
I don't like him that much because he is never nice to me so he don't like me very well and so do I.

This is Dad over there →  
Should be Manny, he is my younger brother okay I like him more than Rodrick but also not that much.

I Hope You Know

3 MORE ABOUT MY FAMILY!

So it will stay the way it is. Now  
I go and play video games, you  
know this day wasn't that easy  
forme...

## A Letter to Rowley

My friend Rupert is on a travel with  
his parents. I don't want to write a  
letter to him, but mumsaid I have to,  
so I did, this is what I wrote!

Dear Rowley,

How are you, is it nice in  
Scotland? I'm feeling weep,  
but I miss you! Now nobody  
plays my video games with  
me and I can't play them  
alone. So please, Rupert be  
a good friend and come  
home, then we can play  
a video game together. That  
would be very nice if you come.  
So now I'll tell you some things  
different!

So you are not here, yesterday  
something strange happened.  
My mum said: Greg, get up  
it's school today! So I got up  
and went to school. The teacher  
asked where you are! I said  
that you are sick! I hope  
you knew that school had  
started already, so come  
home as quickly as you can.  
Otherwise each day will  
not be nice to you!  
Warn you!

Best regards > your  
best friend!

Greg Heffley

This is my thumbprint  
(should be!)

# My friend!

This my friend Rupert

He is my age, so about 13 years old! Like R. I'm very much

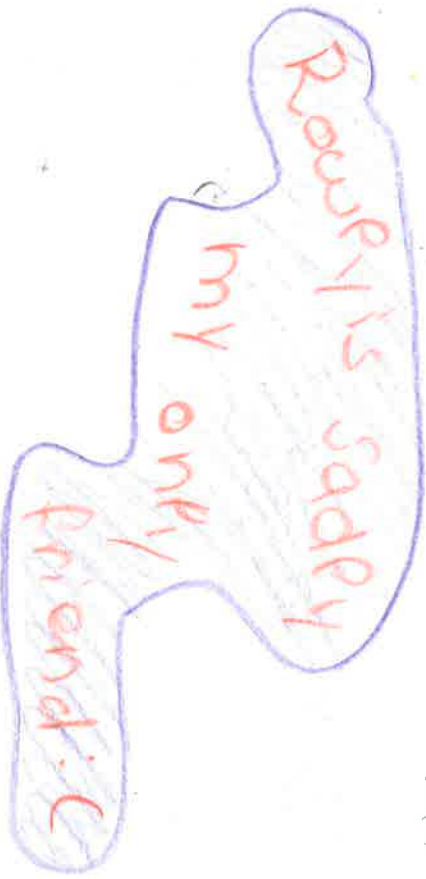

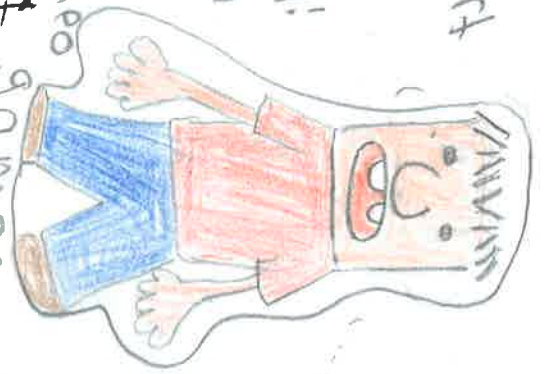

because we are

usually playing video

together. He is not

a good sort of friend because he always does that what I say and that is very good!

When you understand what I mean.

# Diary

Friday:

Today Jordan, one of the cool, older boys, asked me and Rowley if we want to come to his party. Actually his parties are the best, because also girls are invited. We said yes, officially.

Saturday:

Today when Grammie came in the bath. I screamed "Don't come in, I'm here!" So she let me go out. Grammie's house is that quite. The matter in Grammie's house is that, every furniture has a little paper on it with a name, that is for, when Grammie is with a name.

Dear Uncle George

My mum made me get a 'happy' class. With this class I now learn all about the brain and your body.

You are my favorite uncle and that's why I'll tell you that story.

As I've told you already, mum made me take Health class. So today in Health class our teacher Mrs.

Power, gave each of us a normal chicken egg. Every normal person

would ask what we should do with an egg. So I'll tell you what we should do with the egg. We shall take it home and

about the egg so we can bring the egg back tomorrow as it is

today.

On the end of the period I went to the toilet and I took a lot of toilet paper for my egg because when

I hopped it would break when

School was over I went home

very carefully because of the

egg. When I arrived at home I was happy that nothing had happened

to my egg because if we don't bring

a whole egg with us tomorrow, we'll not have a good grade.

So I put the egg in the fridge on the next morning! Secured.

For the egg in the fridge, but it wasn't there, so I asked mum

and she said: "Oh, sorry Greg, I think you'll eat your eggs breakfast"

Because I that I didn't get a

good grade in Health class, but when matters! So, I'm sorry!

George but I've to stop writing, because I've a Math test tomorrow

and I've to study!

Have a nice day!  
Love, Greg Heffly!

# Vocab

The smell was coming from the carpet.

Der Geruch ist von dem Teppich gekommen.

I guess mom was pretty embarrassed about having someone to help in the Rowford.

Ich glaube Mum war ziemlich peinlich wegen der Hilfe im Haus.

The party is totally different from the kind I usually get invited to.

Diese Party is komplett anders als die Party's, bei denen ich sonst immer eingeladen werde.

...wird always kisse smell on the lips.

...sie küsst mich immer vor auf die Lippen.

That means someone has to double up and the rest have to sleep on the floor.

Das heißt manche von uns müssen sich verdoppeln, und der Rest muss am Boden schlafen.

How would you like me to separate the darks from the lights?

wollen sie, dass ich die dunklen Sachen von den hellen trenne?

Gregory is a person to watch as much as he likes.

Gregory ist es erlaubt so viel fern zu schauen wie er will.

100%

Dear Sophia,  
This is a great book! full of cool, creative ideas and very good, new expressions that you have learned from the book.

Just perfect

Keep up the good spirit!
