Greg's Family

Dad

Frank Heffley

He always looks sad. I think he is unhappy with his children. He has a hunched back. He doesn't like the "My child is the student of the week and I'm MIGHTY PROUD!"-stickers.

Mom

Susan Heffley

She favours Manny! And she always wears glasses otherwise she is almost blind. She always says to Greg he should do more sport.

Brother

Rodrick Heffley

He always wants to blame Greg. He sleeps very long and he is the drummer in a band called "LODED DIPER". He isn't very hygienical.

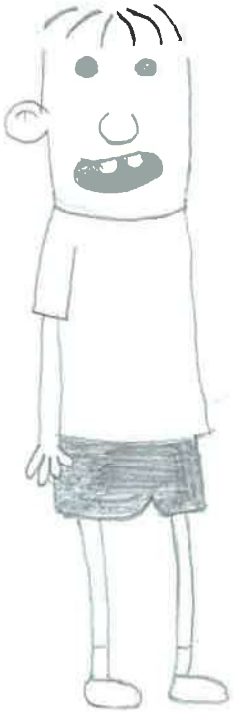

Brother

Manny Heffley

He is the youngest in the family. He is the favor of mom. He always gets what he wants. He is very selfish.

Rowley Jefferson
His best friend.

That's Rowley Jefferson.
He is the best friend of Greg.
Well, the only friend. He is stupid
because he always does the things like a
little boy. His parents try to bring Rowley
up to be a brave, nice boy.
Once he had a pimple and he was very
proud.
But all in all he is a very nice
friend.

Dear Greg,

How are you? I'm fine. Do you want to know what I'm
doing? I'll tell you: I write you a letter. That is
interesting. Isn't it??
What are you doing?? I am sure you are playing
one of those cool video games. In which level are you??
Do you like potatoes and bananas? Oh sorry, I made a
mistake: BANANAS) Because in the evening I ate bananas
and potatoes. I haven't heard of you for ages. Are
you still my best friend??
Do you want to meet me, I am in my house! (at home)

yours Rowley

Diary

Saturday and Sunday

It was Christmas morning. I ran down into the living room. There I saw my family decorating the Christmas tree without me. I got very angry because they hang my favourite candy on the tree!!!

I pretend to cry, because I know when I'm crying mom would do everything for me. Like it was now. Mom hugged me. She gave me one of those candies and said I can hang it on the tree.

But I wasn't argued with it. I said I want to be the first who put something on the tree. So they had to take all the stuff off the Christmas tree.

It was very funny for me to see it.

Ps: Because Greg was the first one who hang my favourite candy on the tree he got less presents for Christmas.

HIHIHI!!!

Christmas Bazaar

A few days before Christmas
20th of December

Diary entry by Rowley Jefferson

As you know Greg and I wanted to have our own Christmas Bazaar. So Greg thought it would be a good idea to advertise our Bazaar. We did already so many things: We wrote an article and gave it in our own "newspaper". And we asked in the newspaper office if they could make a full page in colour about our bazaar. And the last thing we did was this: We made with big neon green posters we wrote "Holiday Bazaar" and stuff like that. Greg and me went to the school to stick it on the wall. But then it started to rain and you couldn't see anything. So we decided to take the posters off the wall. But then there where the posters stuck where huge spots on the wall. Then someone yelled: "Hey! What're you kids doing?" We took our things and ran away. First I thought that nothing would be happening - but that wasn't true. When I read the newspaper in the next morning there was a full page about: "Vandals deface the middle school" And the police was in school! Now I was very scared! So I wrote a short letter for Vice Principal Roy

Me and Greg Haffley vandalized the school.

That's the end of my story (or Diary entry)

Santa's Scout

Santa's Scout is a selfmade doll, it's from mom's childhood. Mom told us that it's job is to tell Santa cause how the kids are. (Over night it flys to the North Pole, where Santa is) I'm not sure if I should believe it, but if Santa's Scout is in the same room with my I am trying to be very nice.

Baby Alfredo

It's a doll too. But it isn't selfmade. Once I forgot to write a wish list, so mom bought me a doll. She wanted to make me ready having a baby brother (=Manny). First I didn't want to do anything with the doll, but after a while I noticed that the doll can eat (vegetable!). And it could hold my comics for me. After months I got really attached to the doll.

But then: When I came home from school I couldn't find Alfredo anywhere! I didn't want that mom thought I'm not able to looking after my new brother!

So I took a grapefruit from the fridge and pretended it's my baby-doll. It worked for a while but then the grapefruit began to rot. Mom and Dad noticed it. That's why they never leaving my alone with Manny more than fifteen minutes!

Scandal: Mother forged the autograph

By Dora Zeiner

The Shocked Gregory H.

Gregory H. (13) just needed money. He came up with the idea

to sell his autograph from Kenny Centazzo (see more about the

comic author on page 32). "I went to the comic book shop, there

the guy who works there told me the autograph is a forgery!"

Gregory H. said. At first he didn't understand it but then, when

he read the autograph, he knew what happened.

"I got the autograph from my mom. We were watching in line

for two and a half ours. Then I needed the bathroom and when I

came back my mom got it!" he told us. "But I

that my mom said "no!"

Feedback for CABIN FEVER ^{Diary of a Wimpy Kid}

I really like how Jeff Kinney writes. It's really how young people think. What I don't like is, that there is no nice and clever person in the book. It's normal that everyone has a fault, but that someone has just faults? That's why I don't like Greg, mom, Manny... It's really bad that they are selfish and egoistic. But all in all I can recommend the book!
