That's me: Dora Zeiner

My name is Dora Zeiner. I wrote this booklet. But the ideas and all the Winnie the witch books are from Laura Owen, Valerie Thomas and Korky Paul. I think that the Winnie the Witch books are nice books! I hope you liked my booklet!

Winnie has a huge house. It's gray. Her garden is big too.

In Winnie's house are many corridors. In these corridors are a lot of family portraits and heirlooms.

Winnie has also a computer room. There is Winnie's swivel chair, she loves it. The drawing room is very big. Winnie doesn't draw in there but it's a good room for parties.

In Winnie's bathroom are the bathtub, the washbasin and the loo black!

I think Winnie's favorite room is her bedroom. Her bed is comfortable and warm. If you look out of the windows you can see for miles.

In the kitchen is a cat flap for Wilbur. The kitchen is in the middle of Winnie's house. It's a nice, comfortable room. That was Winnie's house!

Winnie's house

My Diary

Monday: Today I got up at 5am. because

I had to feed my fish Ronny the Rockstar. But he wasn't in his fishglas where normally is. So I called Wilbur to ask him if he knows where Ronny R. is. Wilbur came into the kitchen and had something hanging out of his mouth.... it was Ronny the Rockstar! I can't believe my own cat ate my own fish! I think I have to buy a few mice. That Wilbur doesn't eat my fish anymore! I was so angry at Wilbur...

(killed by Wilbur)

Ronny the Rockstar

Wednesday: Today I'm still angry at Wilbur. So I am not giving Wilbur any treats for a week. I think Wilbur noticed that I am still angry at him and he wanted to make me happy. Wilbur went to the petshop and bought me a new fish. I named

The carpet said: "Hello my name is Charly, I am going to be your best friend. But first I want to tell some interesting thing about me.

My name isn't onley Charly, that would be boring.

My name Charly, Christian, Cevin, Carl, Carpet from Clockwood.

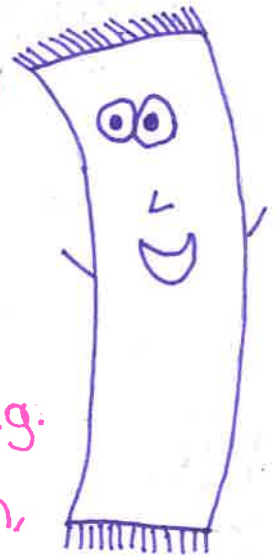

But you can say Charly or Mr. Clockwood to me! My whole life I was in a dark cellar. Noone helped me. My whole life was boring. Then you said

Abacadabra and I was free!

That's soooo nice. So I want to be the best friend you ever had!"

So Winnie and Charly are best friends! ! ! ! !

Wow - that sounds like a great start of a friendship.

Winnie's new friend by Doris Seiner

At five o'clock Winnie woke up. First she fed her fish. "How are you today?", she asked them.

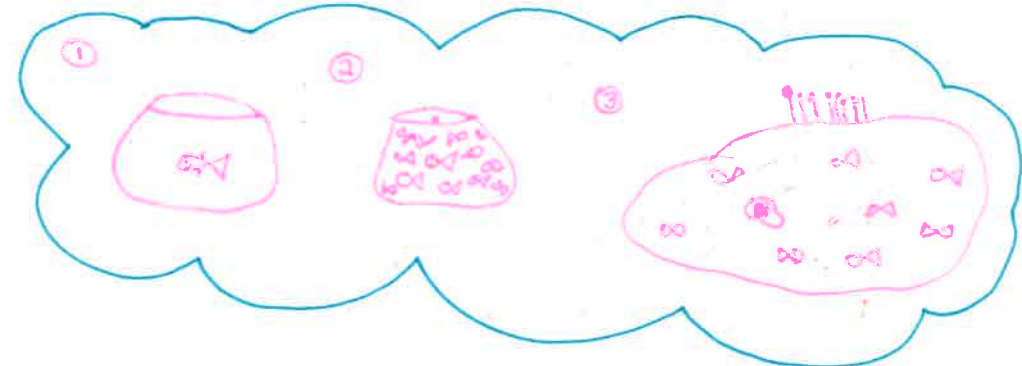

"Blub, blub!" they answered. "I can't speak with them Wilbur is at Mr. Nigl, my neighbour, and all my friends are away on holidays. What should I do?" Then Winnie saw Wilbur, she asked him:

"Wilbur, do you want to play with me, or to do something with me?" But Wilbur didn't want to do anything with Winnie, because he played soooo much with Mr. Nigl. He was tired and wanted to sleep. Winnie was very sad, there was noone who could do something with her!

So Winnie went in the house. She got dressed, ate breakfast and then she took her magic wand and said: "Abracadabra" and a flying carpet ^{from} fall down the sky. "Yeah", Winnie exclaimed "My whole life I wanted to fly with a flying carpet!"

my fish David Alaba? (I like this colour!)

Thursday: Today I got up at 5am. because I had to feed my fish David Alaba. I went to his fishglas but I didn't see him. And not because he was gone. I didn't see him because in the fishglas their were thousand of thousand fish! I guess David Alaba isn't a boy...she is a girl. I quickly ran to magic wand and said "Abracadabra". Then there was a huge pont in my garden. I took all the fish and Wilbur helped me (I think there is now one fish less). Now there are so many fish in my pont that I think I am going to cook fishsticks tomorrow :)
