Winnie's

Winnie's picture was the nicest picture of all the children's. She is good at art.

Winnie's House

There are six main rooms in Winnie's house:

1. The Computer Room

Winnie chose a room that was nearly on the top of her house. In that room there is a swivel chair. Winnie loves to swivel on it! It's that room with the one!

2. The Drawing Room

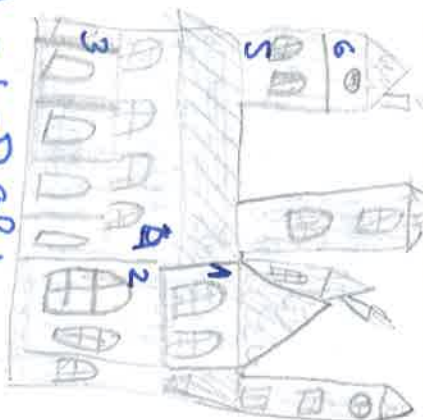

Winnie doesn't use the "Drawing Room" that much because it is a rather grand room! In the picture it has the number two.

3. Hallways

In Winnie's house are many corridors and passageways! She likes to display her family portraits in these areas.

4. Kitchen

The kitchen is the heart of Winnie's house. It's always nice and warm there. Winnie likes to read her favorite spell books and eat her feet up.

5.1 Bathroom

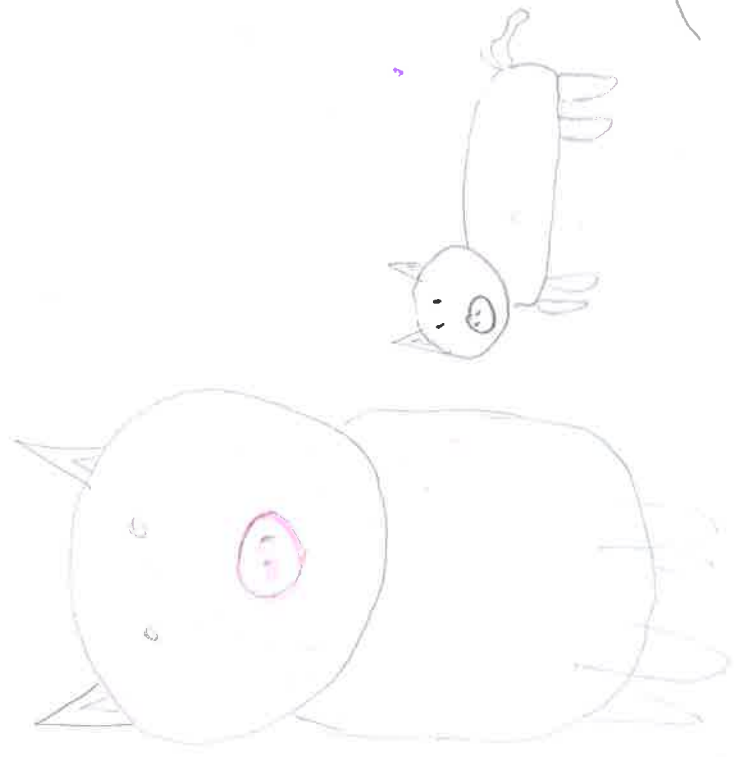

She likes nothing more than to have a long soak in her deep and roll-top bath! I also like that a lot!

6.1 Bedroom

From Winnie's Bedroom windows she could see for miles. Her bed is warm and cosy. Winnie also loves to walk up and down in her bedroom.

That was the describing of Winnie's house!

That was actually false but Winnie didn't know that. Every one started to laugh. And Winnie laughed with them. In the last period they had art. Winnie is terrible at writing so in German, English, and in maths but in art she is really good. In art they had to draw a pig it should look like that

The also did German:

Ich weiß, wie Wilbur
off

You see Wilbur has a bad
hand writing but she fishes
school alot. She put good in
school for example in maths
very had to count from one
to one hundred Wilbur counted
like that:

one
two
three
five
ten
twenty-two

→ ~~bird~~-one
one hundred

Diary

This morning I got up and
looked for Wilbur, because he has
to go to the doctor. He has to go
here because he will get a vaccination.
But Wilbur is scared of vaccinations
so he hid behind the sofa. I thought
Wilbur will be there so I found
him, and I put him in a cage!
Then I and Wilbur got on a broom-
stick. We flew to the airport
doctor Wilbur was as waking up
and down in the cage, because
he was so scared! I said: "It's
okay Wilbur, it's only a little pokes
and then your finished oh I forgot
to say, that you will get two vaccinations,
so two pokes!" "Oh no!" said Wilbur.
We arrived at the doctor's! Wilbur
started wagging: "Pleas, please!"
Now it was our turn! We got in
and Wilbur has to sat down
on a desk! The doctor gave him
a chocolate to eat. While he
was eating the doctor made the
two little pokes and Wilbur not
even notice that! I said:
"Oh doctor! Then Wilbur asked me

me: "I'm finished, but there was no vaccination?"

"The vaccination you get when you ate the chocolate!" I said

"Oh thank you Winnie, now I'm not scared anymore!" Wilbur said

For her it very nice there. In the first period they did maths, in Winnie's notebook there was written that:

$$2 + 5 = 7$$

$$20 - 9 = 11$$

$$5 - 4 = 1$$

$$7 = 8 < 2$$

You will see that, that isn't really good. Her hand writing is also not the best that's what they did in the second period:

Winnie's Letters

Adventured:

Winnie knews same kids from the school. That kids asked her why she didn't go to school? She said: "Well, You want that, I ^{will} come to school is so see you tomorrow at school."

On the next morning, Winnie got up at half past five. She was very tired. She almost felt to sleep again, so tired was she. At six o'clock she got onto her bedroom stick. And then she flew to the school. For the teachers it was ok. That Winnie wants to go to school. Winnie liked school.

Dear Zilly,

My sister, you travel to Australia didn't you? It's nice there? Are there other witches? Now, be cause you are gone, there is no more witch in England! Griselda had died so I'm alone (I only have Wilbur my cat). Please come back to England! Sister-
heart!

Yours,
Winnie

Dear Winnie,

Yes I did. It's nice, yes! Okay then come back next week, is that okay? I hope so!

Yours,
Zilly

Winnie's Food:

Winnie's favorite food is a soup of snark tails with pepper. But she also likes hearts from cows. Snails without a house are pretty good when you cook them like that.

You need 15 snails, cut them into small pieces. Then cook them together with frog feet! And a half an hour later let them cool then you can and then they are finished!

That food is called snarks and frogs!

Winnie

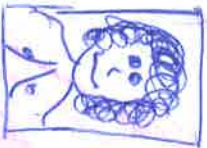

loves that meat!

Interesting things about

Winnie:

Winnie was born 24.12.1890. In London. So now is Winnie 123 years old her mother is called Grizelda, she has a sister, her sister is called Zilly. Zilly lives in Austria. Winnie wants to retire now. Her cat Wilbur is exactly 23 years old so, Winnie is 100 years older than him.

This is Winnie's grandma called Grizelda. She died a short time ago so Winnie is the only witch in Great Britain. Grizelda was 1898 years old that is also for a witch quite a lot.
